## **Thank You For Your Support**

The Sundre Trappers' Association **Banquet & Fundraiser** is an evening of good food, socializing and entertainment.

Each year the Sundre Trappers organize and host this event to help support various local initiatives as shown on our promotional brochure.

We are asking you, or your Business, to partner with us in this endeavor. We appreciate donations of items for our silent and live auctions, or cash which we can use to purchase items for the auction.

We invite you to attend our Banquet February 3, 2018 at the Sundre Community Center.

Tickets are available at \$40.00 per person.
