OLD TRADITIONS – NEW BEGINNINGS

Rendezvous and Outdoorsman Show

JULY 6 – 7, 2018 – WESTLOCK, AB

Westlock Rotary Spirit Centre

The Alberta Trappers' Association sees an Alberta where the sustainable harvest and management of wild furbearers is an established and recognized conservation activity integral to our heritage, culture and identity. The ATA is a non-profit, provincial organization that represents and serves the needs of trappers in Alberta. The Alberta Trappers' Association also strives to promote outdoor education to communities throughout the Province with a focus on youth. This is accomplished through activities, mentoring programs and presentations to schools and youth organizations. Our mission is to ensure that trapping continues in Alberta as a way of life that promotes respect for wildlife and stewardship of the land. Our largest fundraising event is our annual Rendezvous.

The 2018 Rendezvous in Westlock, AB will see trappers, other like-minded individuals and businesses from across Alberta and beyond, gather to celebrate the rich tradition of trapping in Alberta. The event has taken place for 45 years and is held in various locations across the Province.
