

RAWHIDE - 1 DAY WORKSHOP

This is a hands on student participation workshop for those who want to feel confident working with these hides

- **Lacing hides into frames for drying and de-hairing**
- **We will dry scrape a framed hide**
- **Discuss other methods such as wet scrape, wood ashes etc.**
- **Some considerations and demo's of cutting, lacing and crafting with rawhide and its uses**

**Participation in fleshing hides
(deer, moose, or elk)**
