## Resident Trap Line Management Workshop

**This two-day workshop includes the snaring workshop. Participants will receive two certificates: Snaring Workshop and Resident Trap Line Workshop**

The 10 areas of focus for these two days are:

- Ethics and personal responsibility
- Building landowner relations
- Public visibility
- Building your trap line
- Dealing with carcasses
- Avoiding accidental and non-targets
- Personal and public safety
- Foot holding with baits and lures
- Professional fur handling
- Modern snaring

***You must be a licensed trapper to participate in this workshop.***

**Cost: \$180.00**
