

Trapper Gord Wilderness College

STANDARD TRAPPER COURSE INFORMATION FOR STUDENTS

The Standard Trapping Courses is specifically designed for those interested potential trappers living in areas where we do not travel to. This said, all interested candidates are invited to register.

COURSE DURATION

Classes will begin on a Thursday at 9AM and continue through until Saturday evening. The course will cover

Instruction on humane trapping, pelt preparation, sets, regulations and fur bearer management. Upon successful completion of the course the student will receive a certificate which then enables the student to purchase either a resident or registered trapping license for Alberta.

ACCOMMODATION AND STRUCTURES

Students will be housed in a two person heated bunkhouse. Shower and bathroom facilities are available. The site has a heated classroom and if the weather is suitable there is a fire pit area for socializing after the course day. The field site is nearby and a heated trappers cabin is available should weather conditions make this necessary-

LOCATION

The Wilderness College is located at

Gordy Klassen's Ranch near Debolt Alberta

- Debolt is located between Valleyview and Grande Prairie
 - Ranch is 6 miles West of Debolt on Highway 43.
 - Turn north onto Range Road 20 for one half mile
